

LAN TENDER – PRE-BID CLARIFICATIONS

Bid Reference: Tender No. JMF-ICT-LAN CABLING -NEWSITE/2020-21/076

Dated: 11-02-2021

Query1:

In the tender page no-11/12 of 17 the make mentioned for the items .In the present many more brand/OEM come in the market with new technology. So we are requesting you to kindly allow us to quote the equivalent brand also for the passive component items

Our remarks/clarifications: The tender has already the scope for multiple options/ makes for passive components items as per current industry standard to give the flexibility to the bidders. So you may quote accordingly.
