INVITATION FOR BIDS (IFB)

[LOCAL COMPETITIVE BIDDING (LCB)]

(Jharkhand State Co-Op. Milk Producers' Federation Limited, Ranchi)

7.0 OPENING OF BIDS:

- 7.1 Technical bids of the bidders whose bids have reached the office of JMF on time as mentioned in the IFB and shall be opened in the presence of bidder on the date and time specified in the tender document.
- 7.2 Bidders may be present at the time of opening of the bids.
- 7.3 Commercial bids will be opened only those bidders whose Technical Bid (Part-I) is found to be acceptable by JMF. Such eligible bidders will be intimated the date of opening of Commercial Bid (Part II) separately.

8.0 EVALUATION OF BIDS:

8.1.1 Preliminary Evaluation

JMF will examine the technical bids to determine whether they are complete, whether required EMD /Tender Fee and supporting documents have been furnished, and whether the bids are generally in order.

Where the bidder has quoted and the bid security furnished is inadequate, the bid will be treated as non-responsive.

JMF will also examine whether the bid is complete. If the prices of certain item are found as "0 (Zero)" it will be presumed the bidders have included the cost of such items against some other items of the price bid. The bidder shall furnish the details of such inclusions separately along with their Technical Bid (Part I).

Prior to the detailed evaluation, JMF will determine the substantial responsiveness to the bidding document. A substantially responsive bid is one, which conforms to all the terms and conditions of the Bidding Document without material deviations. A material deviation is one which affects in any substantial way the functionality, scope, quality or performance of the deliveries or which limits in any substantial way inconsistent with the bidding documents, JMF's rights or the bidder's obligations under the contract and the rectifications of which deviations would affect unfairly the competitive position of other bidders presenting substantially responsive bids. JMF's determination of a bid's responsiveness is to be based on the contents of the bid itself without recourse to extrinsic evidence.

No post-bid clarification at the initiative of the bidder shall be entertained. For evaluation and comparison of bids, the purchaser may, at its discretion, ask the bidder for clarification on the bid. The shortfall information / documents shall be sought only in case of historical documents which pre-existed at the time of tender opening and which have not under gone change since then.

So far as the submission of the documents is concerned with regard to qualification criteria, after submission of the tender, only related shortfall documents shall be asked for and considered. For example, if the bidder has submitted a supply order without its completion / performance certificate, the certificate can be asked for and considered. However, no new supply order shall be asked for and considered so as to qualify the bidder.

In case the required clarifications are not received by the Purchaser in time, the Technical bid may be treated as incomplete and non- responsive.

A bid determined as not substantially responsive will be rejected by JMF and will not subsequently be made responsive by the Bidder by correction of the non-conformity.

JMF may waive any minor informality or non-conformity or irregularity in a bid which does not constitute a material deviation, provided such waiver does not prejudice or affect the relative ranking of the Bidder.

8.1.2 Secondary Evaluation and Comparison of Bids:

The Evaluation and comparison of bid will be done on the basis of **item-wise** quoted basic price (inclusive of applicable GST).
